CSCI-205 Project Class
Weekly Update Template

Date:	April 20, 2022
Team Name:	Team No Name
Members:	● Alex, Vince, Joe
Tasks worked on the past week:	● Worked on website layout, started work on formatting API call
Issues you ran into:	● Unsure what language to call the API, SquareSpace work for website might require unnecessary work to utilize API
Lessons learned:	● Postman makes creating an API call a breeze
Tentative plans for next week:	● Implement search bar, start formatting results from API call
